

# NO SMOKING POLICY

## **Introduction**

At Oasis Academy Pinewood, we value the health and welfare of all within our community as a key priority. We believe that a healthy and safe environment is important in terms of physical well-being, and is also a vital factor in promoting emotional health, which in turn will affect the raising of standards.

It is important to us, that our policy and approach to smoking and the use of e-cigarettes (vaping) should reflect changing social attitudes, and actively reflect and support our goals for effective and lasting drugs education.

In developing our school's policy on smoking, we have sought to:

- Build on our commitment to community well-being

- Reflect LA policy
- Meet DfE guidelines
- Comply with the law on smoking in public places
