Pirate Petra has found these bottles washed up on the beach! They each have a message inside, but the sea has washed away all the full stops. Can you put them back in so that the messages make sense?

Please help me. I am stuck on a desert island. You are my only hope.

I have buried the treasure. You will never find it.

I know where the treasure is hidden. I have found a map that tells me where it is. Please help me find it.

I have been captured by the pirates. They are keeping me locked up on their ship.

This text about taking care of rabbits has no full stops! Can you work out where the sentences should begin and end and add in the full stops?

Rabbits can be fun pets. It is important to look after them so they stay safe and happy. Rabbits have big front teeth to help them bite their food. They should have lots of hay to eat and water to drink. Rabbits need a warm, safe place to sleep. They can live inside or outside. They need space to run, hop and skip. Rabbits like to live with at least one other rabbit. They can get lonely by themselves.
