Principal's Letter

Dear Families,

On behalf of the whole staff team, I hope all of our families had a peaceful and happy Easter. I know that this is a challenging time for you all but I know that we can get through this.

Please do get in touch if we can be of assistance. The academy office is open on week days during school hours.

Please take care everyone and stay safe,

Kind regards,

Ms J. Elliott

Home Learning

Please ensure that your child is completing their home learning daily. Any problems accessing the website please email the academy office

Support Numbers

We are going through a challenging and unprecedented time. Please see below for some helpful numbers should you need them:

NSPCC Adults Helpline 0808 800 5000 help@nspcc.org.uk

Refuge 24-hour National Domestic Abuse Helpline [0808 2000 247](tel:08082000247)

NSPCC Childline 0800 1111 <https://www.childline.org.uk/>

Find your nearest foodbank <https://www.trusselltrust.org/get-help/find-a-foodbank/>

Staying Safe

Please remember that you and your family should stay at home to protect yourselves, the vulnerable and our amazing NHS. There have been reports of older children going to the park and walking in groups. This is very irresponsible and the police have assured us that anyone seen doing this will be spoken to.

#stayhomesavelives

Oasis 9 Habits

Patient	Forgiving	Self-controlled
Humble	Honest	Considerate
Joyful	Hopeful	Compassionate

This month we are thinking about being:

Considerate

Wellbeing Tips

Get as much fresh air as you can. If you don't have a garden or balcony, open a window and look outside—turn your face to the sun

Drink plenty of water and eat healthily

Be active—join the Joe Wicks workout at 9am

Keep your mind active. Read a book or play a board game

Talk through your concerns with your loved ones—pick up the phone

Find the time to do the jobs you've been putting off. Britain's kitchen cupboards never looked so organised

Phone Calls

We are revising the platform we have been using to make phone calls to families. Therefore for the Easter period teachers will not be making phone calls. Please do contact the academy office if you need anything.

Fantastic resources:

<https://www.pobble365.com/> - one picture published every day with resources for how to help support your children with their writing

<https://stories.audible.com/start-listen>—free audio stories for children of all ages

<https://www.mathematicsmastery.org/free-resources>— free resources to help your child's maths learning

Thought of the Day

Online safety

This is an amazing resource for parents/carers and children to support in staying safe on phones, tablets or computers:
