Keep up the fantastic home learning everyone! Look at our amazing display showing photos of your work.

Principal's Letter

Dear Families,

What a fantastic and smooth start for the children who have returned to us in nursery, reception, year one and six. It is like they have never been away. It is so lovely to hear more voices, learning and laughter back at school.

If your child is in nursery, reception, year one or six and you would like them to return to school, we still have some availability—please call or email the school office to discuss this.

We can assure you that all possible health and safety measures have been put in place here at school but if you want to talk any concerns through please do call us.

Please take care everyone and stay safe,

Kind regards,

Ms J. Elliott

Home Learning

Please ensure that your child is completing their home learning daily. Observations should be uploaded to Evidence Me.

End of Year Reports

You will receive an end-of-year report for your child in July. It will be sent to you by email or Evidence Me so please do look out for it.

Year Six

As you know, the end of a child's time in primary school is such a significant milestone. We know that this will be a very different experience for this year's year six group. We are working hard to ensure that they are celebrated. Further details will be sent out soon.

Stars of the Week

Please check to see who are this week's stars—you will receive an email and we will post on Facebook. These children have been nominated for a range of reasons

Well done everyone!
