Principal's Letter

Dear Families,

Well done to all families and staff for such a smooth and happy start to the new academic year despite the challenging circumstances. The children have settled back beautifully and we are so proud of all of them.

Please take care everyone and stay safe,

Kind regards,

Ms J. Elliott

Colder Weather

It is getting colder quite quickly. Please make sure your child comes to school in a warm, waterproof coat and sensible warm shoes. Children will be spending more time outside than previously. Names on everything please!

Emails

Please check your emails regularly as we often communicate important information this way. If you change your email address or contact details please let us know asap.

Stars of the Week

One child from each class will be awarded "Star of the Week" from this week and will be presented with a certificate to take home, I wonder who will get them this week...

Home Learning

From Monday the 28th onwards in the home learning section of the website you will find a timetable with links on it for your child's year group. This timetable has been created in case your child has to self isolate in case of covid -19 symptoms or in case a member of your household has symptoms. In these cases, just like when we were in lockdown your child must continue with their learning. For now, you can continue to upload work onto evidence me.
